

The Apology

Dan Tappan - January 2020

I feel like I need to apologize in advance for this song..."

C - Am - Dm - G

^C
Sitting here, pen in hand / ^{Am7}Hoping, you'll understand
^{Dm7}The deep regret that I express / ^GFor actions, I must confess,
^CWere truly quite beyond the pale / ^{E7}And so I write, in great detail
^{Dm7}To say -- --- I'm sorry ^G ^C

I think it was at dinnertime / I'd really like to blame the wine
But maybe it was afternoon / Or sometime earlier that day
Like breakfast time, but either way / There's just one thing I need to say
^{Dm7}---- --- I'm sorry ^G ^C

Chorus

^F
Sorry, for the thing I did
^G
Sorry, it made you mad
^{E7} ^{D7}
Sorry, it was unforgivable
^{G7}
I sit and hang my head

break

C - Am - Dm - G - C

The thing I did that made you blue / The agony I put you through
Or was it what I said to you? / Or maybe what I didn't do?
But anyway, of course I knew / That that is why you threw that shoe
^{Dm7} ^G
And why I must tell you
I'm sorry

repeat chorus - end with

^C ^{Am7} ^{Dm7} ^G
I'm sorry -- -- -
^C ^{Am7} ^{Dm7} ^{GC}
So sorry -- -- --
Here's your shoe
